Professional Profile

- Offers 25 year track record of delivering high quality in photographing homes, processing images and designing/publishing marketing materials.
- Served as integral part of the David Young Team at Coldwell Banker United, Realtors®
- Photographed the Kickerillo Company's new construction homes in Lakes of Parkway, LakeForest of Kelliwood, Lakes of Buckingham and Twin Lakes. Several of the homes were shot twice when they were listed and resold by David H. Young, listing agent for Kickerillo's new construction homes
- Contributed to the design of team flyers and marketing materials
- Experienced in photographing sporting, corporate, school and community events and functions
- Designed marketing email flyers for new listings, open houses, price reductions, etc. for electronic distribution directed at real estate agents and companies through Constant Contact
- Maintains Adobe Suite which includes all of the Adobe products
- Proficient in Adobe Photoshop for photo processing
- Proficient in Adobe InDesign for designing marketing materials
- Employs Adobe Bridge for "Tagging" photos to make them searchable
- Utilizes Adobe Illustrator for logo and similar design work
- Licensed Real Estate Agent for 40+ years until 2016
- Created and maintains websites using Word Press
- Pursuing expertise in drone photography; planning to enroll in drone operation, aerial photography and post production
- Maintains a DropBox Pro level for large file transfers

Professional Accomplishments

- Real Estate Photography and Marketing, Sporting Events, Community and Corporate Functions, Golf Tournaments and areas of interest
- Photographed an estimated 1,000 homes
- Maintains a library of nearly 100+ communities' amenities
- Photography from worldwide travels

Websites

I maintain four websites displaying my photos from the various areas and subjects.
